Do you want to be a scientist, doctor, nurse, physician assistant, physical therapist, veterinarian, pharmacist, dentist, optometrist or other health professional? Do you want to make a difference in your community? Consider joining the Health Career Ladder and become a Biomedical Scholar! Open to Pomona Unified School District students in grades 6-12, Saturday Academies and academic tutoring can set you on the path to making the dream possible. WesternU clinicians, scientists, health professions students & community partners engage in hands-on science activities to build skills and confidence. All sessions are held on the WesternU Second Street campus in Pomona. Lunch is provided for all attending. Supervised interactive youth curriculum is available for accompanying children. Academic supervisors and parents are vital part of the experience. Adult accompaniment of students is required.

For questions or to RSVP call (909) 469-8239 or email PHCL@westernu.edu

Preregister at www.westernu.edu/ladder. On-site registration starts promptly at 8am each Saturday at WesternU.
