Do you see what I see...

Putting a smile on a child’s face!

NOSA WesternU Toy Drive!

The National Optometric Student Association will be accepting toy donations to give out at our local YMCA for the neighboring children of the City of Pomona while promoting the importance of “Healthy Sight, Eyes & Lives”. Toys will be collected from November 5th through December 3rd. We ask that you donate toys valued over $5.00 or a monetary donation will also be appreciated in its place. There will be donation boxes wrapped in red Christmas gift paper in the lobbies of the first floors at HEC, HPC, VET Med, HSC and at the Pumerantz Library. Monetary donations can be dropped into a wrapped check/money box at Optometry’s Administration Office located in the first floor of HEC.

Season’s Greetings!!!
